

Former Art Textiles Student Lauren Dix
 Graduated from 'Royal Welsh College of Music
 and Drama' after studying Costume & Set Design.

Fully mechanical meat van, built using the wheels of an old wheelchair. Scrap metal, cladding, oven parts and rusting powder were some of the items used to construct the van.

Romeo & Juliet: Set Assistant to Designer to Set Designer Saz Moir (left)

Roald Dahls' City of the Unexpected: 30 Fantastic Mr Fox masks were made for various talent acts taking place across Cardiff city, including tightrope walking and escapology. Taken from a silicon mould.

Costume, Conceptual Set and Costume Design
