### New to Denny Challenges... Part 2!

#classof2025 #newtodenny

Here is our Denmark Road 365 Challenge mat that our current DRHS students have been completing throughout school closure. This one, has been especially adapted for you! You can complete these from now and over the summer holidays.

If you have used Google Drive before, you could create a file in there called 'My DRHS 365 Challenge'. Save a copy of this document to your Google Drive. Or, you could save it on your computer and as you complete a task, highlight it in a colour of your choice and add a hyperlink to a picture you have taken of your activity, or a document you have created as evidence (we understand this is not possible for all tasks!).
