

Arts Award

This award will enable students to grow as artists and arts leaders, inspiring them to connect with and take part in the wider arts world through setting personal challenges in an art form of their choice - from fashion to film making, pottery to poetry.

The Arts Award will support you to grow as artists and arts leaders, inspiring you to connect with and take part in the wider arts world through setting personal challenges in an art form of their choice – from fashion to film making, pottery to poetry. You will gain a nationally recognised qualification as well as art form knowledge and understanding.

The Arts Award embraces all interests and backgrounds. Through Arts Award you will work independently, explore your own interests and develop leadership, creativity and communication skills.

We will be running the Award at Bronze and Silver Levels in Years 10 and 11, with the possibility of a Level 3 Gold Award during your time in the Sixth Form (worth 35 UCAS points).
