

CEM TEST

In 2014, all the grammar schools in Gloucestershire decided to change the Grammar School entrance test for entrance in September 2015. They made the joint decision to use the CEM tests.

CEM are one of the largest independent providers of educational assessment and monitoring systems in the world. They have been developing selection assessments since 1999, and provide tests for a number of grammar schools in other counties.

CEM design their tests to enable all children to demonstrate their academic potential in verbal, non verbal and mathematical reasoning. They do not produce commercially available practice materials. CEM advise that beyond the familiarisation material, the best preparation for their tests is to read books and use mathematics on a regular basis.

A familiarisation paper can be found in this section of the website.
