

Competitive Sport

Competitive sport runs for both Year 12 and Year 13 on a Wednesday afternoon, and so it is a great way for Sixth Formers to get to know each other!

On a Wednesday afternoon, we run girls' netball training and fixtures, and boys' rugby and football fixtures against local schools such as Ribston Hall, Kings and Chosen Hill.

We have also started some competitive basketball fixtures for the boys.

We have personalised kit for both the boys and girls. Playing competitive sport has improved communication and interaction between the year groups and it is known that the teams enjoy great social events!
