

FAIR PLAY and RESPECT

All Tennis@HSFG members should expect to feel welcomed, valued and respected.

To ensure these values are upheld and maintained please help ensure:

- the importance of respect for all
- fair play values
- no-one on the Tennis@HSFG courts is subjected to aggressive or abusive behaviour from anyone, regardless of any irritation that may occur
- Fair Play is an essential value in sport. We follow the guidance of the LTA and are committed to ensuring that tennis is played in a fair, open and inclusive nature at all levels.

Fair Play is just as relevant in a fun game with friends as it is in a Grand Slam or major tennis tournament. Fair Play includes:

- Good sportsmanship, honesty and respect whether you win or lose
- Learning to challenge yourself and improve social skills
- Taking responsibility for your actions, calling scores and lines clearly and fairly even if it costs you the point
- Learning and following the rules and being a role model to younger people
- Enjoyment of the sport

It is important for everyone to uphold Fair Play both on and off court whether it be players, parents, or spectators.
